Notes & References

The applicant was successfully located at the current address provided.

The applicant is located on the Electoral Register and no adverse data is recorded.

The applicant cannot be successfully located at previous address 1.

The applicant is not on the Electoral Register and additional checks have failed to locate them at this address.

P Hammond MD Artech PLC states that the applicant was previously employed within this organisation for the 5 years+. The applicant's position was sales manager & his responsibilities included overseeing a sales team of 24 staff & reporting directly to the organisation's top management. The referee states that the applicant's work record was exemplary & he has no reservations when recommending him as a loyal & industrious team player. The applicant left this employment in 2010 as the company relocated to the south west & family commitments prevented him from moving also.

ARC Consulting states that the applicant has been on their books for the past 18 months. The applicant has been using this agency to attain sales consultancy work on a temporary basis. The agency states that they have provided the applicant with 12 contracts & have received exemplary feedback from the clients concerned.

The referee adds that the applicant is always prompt, well presented and eager to please employers regardless of the nature of the project. The referee recommends the applicant as a 'conscientious & professional team player'.
